

DEPTH CALIPER

- Patent US 10184772, UA104879, UA99687, UA128692, US126928 by MICROTECH
- For depth measurements
- Digital or Wireless or Computerized **MICS** indication system with 1, 5 or 10 micron resolution
- Modification with **Wireless** data transfer to Windows, Android, iOS applications with distance up to **50 m**
- Modification with self lubrication patented technology (Pat. UA121314 by MICROTECH)
- **FREE** version of software for Windows PC, Android, iOS tablets and smartphones
- Calibration certificate included (ISO17025 (Ilac MRA))

max 30 m
data transfer distance

Free Software for Windows, Android, iOS

LUBRICATION SYSTEM

max 50 m
data transfer distance

Free Software for Windows, Android, iOS
